Election of Officers:

Bill Lincoln started the meeting with the election of officers.

The election didn't get off to a good start. People were not interested in taking an office in our combine. After some discussion about waiting until the next meeting for nominations, names began to come up. Sonny mentioned that he would take all the offices in the combine. Bill thought that it would be better to spread the officers throughout the combines clubs.

Edwin Rodriguez said that he would take the office of Race Secretary.

Sonny was asked if he would take the Presidents job. Kathy said she would keep the Treasurers job until she moved. Hector said he would keep the office of Vice President.

Bill asked if anyone would take the job of Recording Secretary. No one would accept.

This job must be filled at the next meeting. A member who would take the job must come with the Representatives to the July meeting.

Mike Smith Made a Motion to accept the board as talked about.
A vote was taken and passed.

Old birds

A discussion took place about the upcoming Old Bird Season. Some different ideas were brought up and discussed. The following ideas are to go back to the clubs for discussion and answers brought back to the combine.

- 1) come up with new ideas for the old bird season
- 2) fly old birds the same time as young birds
- 3) fly yearlings with the old birds instead of flying young birds in the fall
- 4) fly long races on the north course on a straight airline

Please look at all the pros and cons of these ideas. These are just some options. We would like any suggestions to make this combine successful.

A meeting place and date have not been set for the July meeting.
Sonny will let everyone know.

Motion made by Sonny to adjourn the meeting and a second by Edwin.
The motion passed and the meeting adjourned at 4:10

Respectively submitted,
Kathy Bagu/ECC Treasurer
