SECTION G. Race Changes or Cancellations:

The race schedule may not be changed in any way while a race series is in progress

EXCEPT if it is deemed necessary by the **MAJORITY** of the **RACE COMMITTEE**

(Consisting of: ECC Race Secretary and each individual club's Race Secretaries **ONLY!**).

Considerations should include the safety and welfare of the birds and are not necessarily to be

limited to heat, winds, or rain for either the young or old bird seasons. Money races or other

organization races should **NOT** be considered. A member club, **THROUGH IT'S CLUB**

RACE SECRETARY, may decide to hold their birds to be brought back from the race. They

will forfeit any fees paid to the Combine or transporter. If the club does not release with the

Combine and the race is flown, the members of the club will be treated as if they **DID NOT** ship

the race (for award considerations, etc.). If it is determined by the majority of the Race

Committee that a race cannot be released, (For Example: If there are 7 participating clubs in the

Combine, a majority would be 4 clubs in agreement), the **FIRST** consideration of the Race

Committee shall be to bring the race back to the first safe release station and release on the same

day. The new station will count for any and all awards as the race it is replacing and **WILL NOT**

EFFECT the remaining race schedule. The **SECOND** consideration of the Race Committee shall

be hold the birds over for one day and release if appropriate weather conditions exist. The

FINAL consideration of the Race Committee shall be to **CANCEL AND DROP** the race,

HAVING NO EFFECT on the remaining race schedule. If the race is cancelled by **NOON ON**

THE DAY OF SHIPING, THE RACE WILL BE RESCHEDULED for the following

week, moving all remaining races one week later. Unless it is a MAJORITY decision by the Race Committee to cancel a race by **NOON ON THE DAY OF SHIPPING, ALL RACES WILL BE SHIPPED** and the determinations outlined above will be made while the birds are in transit.
