Approximate number of teams

RIC = 6

LAP = 8

BON = 5

WEF = 5

Exclusive = 4

Ontario = 2

Total = 30

Trailer Pickup

All agreed, the trailer will do three bird pickups from the following locations:

1. La Puente: 3051 Washington Ave, El Monte
2. Chino (Spencer's house)
3. Relys house

Team Fee

To keep the team fee low, it was decided to calculate the team fees by not including the last Duncan race. Duncan race cost will be calculated and paid separately by the members flying that race. Total cost divided by the total number of birds flying that race. Per bird cost will be calculated and paid by each flyer.

Juan motioned to accept this proposal and Efren seconded it.

Team limit

Only for this OB season, it was decided to increase the team limit from two to three. The thinking was to try and get more teams fly. To clarify, this 3 team limit is only for the 2025 OB Season.

Roque motioned to accept this proposal and Fernando seconded it.

Trailer discussion

Trailer options for future were discussed. One of the options would be to build a new trailer and use the old ECC crates. Discard the old ECC trailer as the repair cost would be very high due to all the problems it has.

For old birds the thinking is to rent the San Diego trailer (that was used for young birds) for the first 5 races. Juan is going to get details on availability and cost.

Election of new ECC board of directors for 2025

By unanimous vote all the 2024 office holders were re-elected for the year 2025.

Money race for 2025 YB's

Discussed various options. Relys and Juan to work out the details.

Meeting was adjourned by the President at 11:37 pm.
